OF 46,680 FEET

Such is Statement of Prof. A. Lawrence Rotch Before Aeronautical Congress.

111 DEGREES BELOW ZERO.

Balloons Are Made of Rubber, Carrying Special Instruments for Recording Altitude and Temperature.

New York, Oct. 22.- That a balon has reached a height of 46,680 et and there recorded a temperature or 111 degrees below zero, Fahrenheit, was one of the statements made in the course of an address at the last day's discussion of the aeronautical congress nere teday by Prof. A. Lawrence Rotch of the Blue Hill observatiry,

Frof. Rotch told of his long same of experiments with minature balans, for the purpose of testing curnits and securing temperatures at high itodes. The balloons are made of boar and carry special instruments recording distance traveled, altitude temperature which are altituded.

past two years, in the balloons are released they apward for about two hours were remain nearly stationary for thour. After the explosion the in the temperate zone the tenniture recorded which had been falliat the rate of about 1 degree for 1 200 or 300 yards began suddenly is again, proving that there was a turn of warm air above where ince cold had been recorded. Similar the had, also been discovered by liar experiments in Europe, he said, at a lower altitude, and at about same altitude in the arctic rese, at the equator balloons had a sent up but in the higher altist reached the warm stratum had been found.

not been found.

It was announced that the United States weather bureau is to continue the experiments begun by Prof. Rotch at a score of places throughout the country, with the particular object of investgating the action of storm areas and cold waves.

On Monday night, at the rooms of the Aero club, the international cup will be presented to Oscar Erbsicah, winner of the St. Louis race. Mr. Erbsich today received the following cashesram from the emperor of Germany?

our warmest congratulations on your fortunate victory. WILLIAM.
"Emperor and King."

PRAYERS FOR JOHN MITCHELL.

********* PASTEUR FORMULA

STOPS INDIGESTION.

Go to any well stocked prescription drug store and get the following: Two ounces Essence of Pepsia: three aunces Syrup of Ginger: oh: ounce Catandir Compound into them well in a six ounce bottle and take from one to two teaspoontuls after each meal also at hed time for the first four days.

This is a harmless mixture, pleasant to take, and is said to be the most effective formula known to science for the relief and care of all stomach troubles such as beiching, sour stomach, howel pains, had chronic dyspepsia. It was given out by the great scientist several years reat scientist several years ago, who also claims that dys-

digestion should be promptly re-lieved and much future suffering will in this way be avoided. A well known local druggist states that he frequently fills this prescription for the best physicians here and that he has seen remarkable results from its

holiday throughout the anthracite region today. Many meetings were held and prayers were offered for the re-covery of Mr. Mitchell.

WESTON STARTS ON HIS 1,230 MILE WALK.

Portland, Me., Oct. 29.—Edward Payson Weston, the veteran pedestrian who is to walk from here to Chicago, is ready for the 1,230-mile trip, which begins at 5 o'clock this afternoon.

"Forty years ago," Ned Weston today said, "I performed this feat in 26 days. My schedule for this trip is practically a duplicate of the old, but I hope to improve on it a little. I purposely start out in the early evening today and will do a 22-mile tramp to Kennebunk just to get limbered up, so that on Wednesday I shall be equal to a 46-mile jaunt. The third day I expect to cover 101 miles within 24 hours."

STEVE ADAMS' TRIAL.

None had been excused. Each furor was asked as to his opinion regarding hanging for murder, this being the first question asked. Three of those drawn Friday typressed themselves as opposed to the death penalty, and were excused today.

J. H. Hawley, who has been selected as chief counsel for the state, has not yet arrived. Clarence Darrow, the chief counsel for the defense, is also, absent, but both are expected at any time. who show weariness, want of

the Cheyenne reservation, and in
tom they have confidence.

TO COMMAND THE ILLINOIS.

Washington, Oct. 29.—Capt. Boyer has been selected for the command of the battleship Illinois. Capt. B. A. Fisko, originally selected for the command, has asked to be relieved owing to serious illness in his family.

PRESIDENT CONFERS ON FINANCIAL SITUATION.

Washington, Oct. 29.-President Roosevelt was in conference with all the members of his cabinet, except Secy. Taft, for more than two hours today. The financial situation was un-

Steve Adams' Trial.

Little Progress Made in Selecting Members of Jury.

Spokane, Wash., Oct. 26.—A special to the Chronicle from Rathdrum, Idaho, says:

The second trial of Steve Adams, the member of the Western Federation of Miners who is charged with the murder of Fred Taylor, a settler, was taken up in the district court this morning before Judge W. W. Woods, Little progress, was made in the work of securing the jury. When court adjourned Friday there were II jurors in the box, Since then 80 talesmen have been subpoenaed, and from this lot one was selected to fill out the panel. The state had completed its examination for cause and the defense had examined three when court adjourned at noon.

Secy. Cortelyou, although adverse to making any public statement on the subject, views the situation with far greater equanimity than at any time during the last 10 days.

From the first he has not hesitated to make immediate use of the great resources of the treasury to check the apprehension manifested last week. During the last few duys he had deposited in the national banks approximately \$50.000,000, and since early September, when the secretary began his weekly distribution, nearly \$70.000,000 have been deposited, which brings the amount of public funds now in the national banks up to over \$215,000,000 of which \$12,500,000 has been deposited to the credit of the great resources of the treasury to check the apprehension manifested last week. During the last few duys he had deposited in the national banks approximately \$50.000,000, and since early September, when the secretary began his weekly distribution, nearly \$70.000,000 have been deposited to which \$12,500,000 have been deposited to the credit of the great resources of the treasury to check the apprehension manifested last week.
